

Available Boardwalk Bench Locations

The Trail Foundation recently installed 10 new Boardwalk Benches sourced from reclaimed Bald Cypress trees from the Wimberly Flood of 2015. There are only a few benches remaining for adoption and all are available for adoption immediately. Plaques are typically fabricated and placed within 3-4 weeks of adoption.

Adoption Rates

\$25,000 in Perpetuity

\$12,500 for 10 Years
