5	I believe the beautiful lakeside train should be kept as "natural" as possible. Anything garish or distracting would only dispel the feeling of being IN nature on the trail.	11/8/2022 9:11 AM

## Q2 In what circumstances would a permanent artwork be appropriate?

Answered: 78 Skipped: 39

#	RESPONSES	DATE
1	Everywhere there is a blank wall, an empty space, or an ugly, utilitarian thing - all should be filled with art, murals, sculptures, installations...	11/14/2022 9:15 AM
2	We live in a city fueled by the creation of music and art. I believe it is necessary for us to absolutely put permanent art on the trail, so long as it doesn't interfere with our day to day usage.	11/14/2022 6:57 AM
3	I think it should be primarily to mark historical connections. Entrances should be pleasing, but art should not detract from the natural beauty.	11/12/2022 12:24 PM
4	one or 2 new pieces -- Stevie Ray is classic.	11/12/2022 9:19 AM
5	Something of beauty that is timeless and non political.	11/11/2022 6:16 PM
6	when it enhances the natural beauty of the lake and trail	11/9/2022 5:21 PM
7	Reality is that any permanent item needs to be as maintenance free as possible, strong (to deal with vandals, vagrants), and relevant to all Austinites (true inclusive). Inspire smiles and creative thinking in young and old.	11/9/2022 4:47 PM
8	... when there's a big open space with a donor funded opportunity to add art that doesn't conflict with the ecology	11/9/2022 9:52 AM
9	When public input has been included in proposal reviews.	11/9/2022 9:17 AM
10	To tell the historical or cultural story of the surrounding area.	11/8/2022 7:25 PM
11	A memorial. Also a timeless message. As in being kind and respectful of others.	11/8/2022 7:03 PM
12	local heroes or culture	11/8/2022 4:12 PM
13	I like this recommendation above. I think "permanent" should mean "to be revisited every 10 years or so"	11/8/2022 3:56 PM
14	Instead I would spend the money on keeping the trail clean, kept up and safe. Trash cans clean and emptied. Not a haven for homeless people.	11/8/2022 3:15 PM
15	In unused space to make useful, to enhance an area of the park that feels lifeless or needs color, to tell a story, social media spot that draws people into the park	11/8/2022 2:40 PM
16	Something that reflects the history, feeling and vibe of Austin.	11/8/2022 1:01 PM
17	All the circumstances referenced in #1 above would be ideal. If not all, at least 2 and of course a reasonable cost and funds available.	11/8/2022 12:36 PM
18	Places where people spend more time. Or place that could use a recognizable icon for orientation or gathering	11/8/2022 12:23 PM
19	To mark an important historical location or event. To add a place where people could interact with the art.	11/8/2022 12:09 PM
20	I think when there is the potential to define a space or gateway to our trails. A perfect example was the bike artwork near the boathouse that I wish was still there! Was awesome to see people stopping there for photo ops every day. More art pieces with impressive scale and bike themes please!	11/8/2022 11:53 AM
21	Significant historical event or figure that needs to be honored.	11/8/2022 11:42 AM
22	I love your criteria! I do like the art work that people of all ages and abilities can interact with, on a physical and emotional level.	11/8/2022 11:31 AM

24	local artist if possible reflecting local terrain/nature	11/8/2022 11:08 AM
25	To highlight an environmental experience	11/8/2022 10:12 AM
26	In rare circumstances. I enjoy some artwork but want the trail to be as much in its natural state as it can be.	11/8/2022 9:32 AM
27	At a trail head to tell the history of that specific area.	11/8/2022 9:29 AM
28	Another aspect to consider for permanent artwork is to create new, uniquely Austin "spots" for engagements, memorials, photos, memories, etc.	11/8/2022 9:14 AM
29	Hard to say, but I agree with the use of a subtle artwork to mark important connections to the trail, such as trailheads and junctions with other trails.	11/8/2022 9:11 AM
30	Permanent artworks create destinations and recognizability/wayfinding, contributing to a sense of place along the trail. I think they should be considered for use beyond just "special circumstances."	11/8/2022 9:02 AM
31	When needed	11/8/2022 8:48 AM
32	Agree with most of that, but I'm not quite sure what is meant by "highlight an environmental experience". Does that mean it's meant to be entered/sat upon/ climbed upon? Or does it mean it promotes the environment - flora, fauna, landscape? In any event, I don't agree that be a requirement for permanent work.	11/8/2022 8:27 AM
33	If it's beautiful and enhances the overall experience of being on the trail	11/8/2022 7:46 AM
34	Where public camping ban and drug use ban is enforced. Don't bother installing where the city will not enforce and ensure it is a safe place.	11/8/2022 7:24 AM

39	When it enhances the background skyline	11/8/2022 12:28 AM
40	Wayfinding if on the trail, otherwise off-trail areas (like benches or meditation areas that are connect but off the main travel path).	11/8/2022 12:09 AM
41	When it signifies an important aspect of the community's culture or history or when it is beneficial to the trail like a trailhead artwork.	11/7/2022 10:01 PM
42	Historic, cultural & environmental significance. Art & Nature can be the legacy for those here long after we're gone... this has been proven	11/7/2022 10:01 PM
43	None	11/7/2022 9:13 PM
44	To beautify, tell historical/cultural story. Low to no degradation over time.	11/7/2022 8:49 PM
45	Places where folks park, are visible from surrounding streets. Artwork must be protected from graffiti, however.	11/7/2022 8:38 PM
46	Not sure	11/7/2022 8:31 PM
47	Any! Art can be wonderful and universal in appeal. I cannot imagine it not being "appropriate" to have outdoor art, well, anywhere!	11/7/2022 8:28 PM
48	Significant meaning, serve as a reminder for Austinites of something positive to create and reflect on in their lives.	11/7/2022 8:19 PM
49	If it matches the aesthetics of its context (historical context as well as surroundings)	11/7/2022 8:18 PM
50	Consider the past of Austin and what we have missed when it wasn't highlighted with the appropriate art.	11/7/2022 8:12 PM
51	Iconic of Austin particularly beautiful	11/7/2022 8:06 PM

52	Discreet and blending with nature	11/7/2022 8:03 PM
53	I see few if any circumstances where permanent art would be appropriate.	11/7/2022 7:55 PM
54	No circumstance at present	11/7/2022 7:48 PM
55	Only if a truly non-partisan panel comprised of an equal number of members from the Left and Right (with the latter determined by Ted Cruz and not people on the Left) were agreed.	11/7/2022 7:19 PM

57	Once the trail has reached maximum development with trees, safety and environmental perfection!	11/7/2022 7:16 PM
58	particularly in places -- under bridges, along existing concrete walls -- where the trail already abuts urban hardscape, art can make the urban-nature interface more meaningful and impactful.	11/3/2022 2:33 PM
59	When the installation is placed in a high traffic node, free from obstructing user traffic, so that it can make a maximum impact.	11/2/2022 1:04 PM
60	Only in the circumstances above for a specific purpose. I would like to keep natural areas unbuilt, including unbuilt by art, as much as possible along the trail and in the City's parks.	11/2/2022 12:44 PM
61	When an appropriate amount of community support is gathered.	10/25/2022 3:44 PM
62	To celebrate a significant local artist	10/25/2022 1:11 PM
63	The listed criteria help determine the right circumstance. I love the idea of using artwork to tell a historical and cultural story.	10/24/2022 6:21 AM
64	I support a more progressive and artistic architecture for functional structures	10/21/2022 1:44 PM
65	In areas agreed upon by the community (engagement as locations are identified)	10/21/2022 12:44 PM
66	When there is existing space for such	10/20/2022 8:06 AM
67	Art is fine, but I worry about crowding and commercializing a trail. Anything that blocks its use to run/walk/bike/commute defeats the purpose of the trail.	10/18/2022 6:24 PM
68	I think maintenance and operations are severely neglected in COA facilities and arts should be addressed after things are taken care of and are not deteriorating actively.	10/18/2022 9:13 AM
69	Historical context or stories, especially for native peoples.	10/17/2022 5:05 PM
70	To signify the cultural importance of all the indigenous people that once walked & provided stewardship of the these lands.	10/17/2022 1:42 PM
71	To mark trailheads, celebrate cultural histories of an area, beautify otherwise uninteresting buildings and more developed urban areas	10/17/2022 11:47 AM
72	I agree with the blue recommendation, but don't think that all of the circumstances listed are preferred for me. I generally come to trails to get out in nature, and don't want that experience to be cluttered with too much manmade stuff. Even artwork can detract from that experience. I would prefer permanent artwork that serves some sort of trailmarking purpose rather than just beauty.	10/17/2022 10:53 AM
73	Trail beautification, murals pertaining to history/ culture/ environment, etc. Any artwork on the trail is always welcomed	10/17/2022 10:07 AM

75	To beautify a project that The Trail Conservancy is building	10/14/2022 1:33 PM
76	When the built environment needs an enhancement. When there is an important cultural moment that needs to be marked.	10/14/2022 6:04 AM
77	To mark or identify a significant historical or cultural feature	10/13/2022 5:00 PM
78	In very select locations, maximum impact for minimum real estate, to highlight experiences	10/13/2022 3:54 PM

18	To inspire and excite curiosity	11/8/2022 10:12 AM
19	Again, temporary artwork should be considered in a limited capacity. If an area has a temp piece, after that piece is up for awhile then taken down, keep that space free of artwork for a good while.	11/8/2022 9:32 AM

entrances to encourage and highlight various parts of the park. Sometimes it might be fun to hike a 1/2 a mile to see something special.

7	The trail is already over-crowded.	11/7/2022 8:58 PM
8	Seems unnecessary and possibly disruptive to the main usage of the trails.	11/7/2022 8:28 PM
9	I like walking and biking and sitting along the river. I would look elsewhere for dance/music etc. Bright lights and loud sounds take away for this place, and harm our non-human residents.	11/7/2022 7:55 PM
10	We have the Long center among among many other venues for cultural events. They are doing what they do best. We, at the Trail, should strive to do what we do best, which is connect nature to urban environment.	11/7/2022 7:48 PM
11	Events should be placed in areas that will not damage the function of the surrounding ecosystems. Events like this should be on existing turf areas, for example, so they don't trample lakeside vegetation or tree root areas.	10/17/2022 10:53 AM

1	No idea. Sky's the limit	11/14/2022 9:15 AM
2	Dances, live paintings, painting classes, more music on the trail.	11/14/2022 6:57 AM
3	Same as with visual Art. Don't need to overdo it. Cultural events should be rare, maybe a few times a year for specific segments of the park designed for that-auditorium shores, Fiesta Gardens....	11/12/2022 12:24 PM
4	musical	11/12/2022 9:19 AM

7	Music, dance and imaginative play for kids.	11/8/2022 7:25 PM
8	Music and dances of different cultures and races. Also maybe something lining up with Pride/LBGTQ, Breast Cancer awareness, Juneteenth, etc.	11/8/2022 7:03 PM
9	any that relates to the trail and Austin	11/8/2022 4:12 PM
10	I think we can choose to be bolder here since it is not meant to last - creative artists with world-class ambitions	11/8/2022 3:56 PM
11	cultural - American Indian, Mexican or Latino dance, Indian, kid teams sharing their talents, holiday celebrations, participatory - thai chi, bollywood, dance aerobics, unusual - light performances, America's Got Talent! :) Animals!	11/8/2022 2:40 PM
12	music...in small quants...i.e Central Park in NY. Say a guitar and Cello player, etc.	11/8/2022 1:01 PM
13	All types of music and dance that are free to the public.	11/8/2022 12:36 PM
14	dance - of all types	11/8/2022 12:23 PM
15	Music, dance, including opportunities for public interaction with the performers/performances.	11/8/2022 12:09 PM
16	Strongly agree that events like this should be accessible by trail. It's always disappointing to see events like Creek Show where the trail is closed or unsafe to reach the event. Leads to a lot of driving and parking required, which is inconvenient and doesn't reflect our trail values.	11/8/2022 11:53 AM
17	Performances that reflect often overlooked cultures in Austin. What about Slam Poetry? Hip hop performances? Tejano. Asian American cultural performances.	11/8/2022 11:42 AM
18	I love the idea of getting people of different backgrounds and physical abilities to design these performances. I've found they are often so crowded, and parking is difficult. Maybe have more on a smaller scale?	11/8/2022 11:31 AM
19	Local artists--big or small!	11/8/2022 11:16 AM
20	Ones that engage the community for participation and also continue the musical performances of local artists along the trail that you have been doing. I always love seeing local artists perform along the trail.	11/8/2022 10:12 AM
21	A few performances here and there, but just concerned that with all of the artwork and performances the trail could become crowded and a circus like atmosphere. I am all for the arts! But want to keep the trail more natural and quiet.	11/8/2022 9:32 AM
22	Show case local artist and musicians and to show the cultural diversity of the city.	11/8/2022 9:29 AM
23	Probably anything you would approve and present.	11/8/2022 9:14 AM

24	Something that reflects upon the nature and environment that is unique to the trail.	11/8/2022 9:11 AM
25	These performances/events create serendipitous, memorable experiences at moments along the Trail, creating memories and lasting impressions for Trail users. Small musician setups, interpretive dance routines, and live painting/art creation would be great activators of the spaces adjacent to the Trail.	11/8/2022 9:02 AM
26	Native American Indian ceremonies and cultural events.	11/8/2022 8:21 AM

36	Local musicians, dance groups, and performances like plays or one acts on outdoor stages.	11/7/2022 10:01 PM

48	Running/walking/cycling as an art form.	11/7/2022 7:16 PM
49	Given that it doesn't exist around these parts anymore, LIVE music. Local theatre and poetry/literary-based events would be great as well.	11/4/2022 11:43 AM
50	Music is always good. Interactive art would be an interesting thing to add.	11/2/2022 1:04 PM
51	I prefer few events along the trail because they tend to disrupt normal trail activity.	11/2/2022 12:44 PM

Performances to me should be limited to built environment areas (bridges, Auditorium Shores, Gazebos, etc).

60	Performances by idigenous, black, Latine creators, and other creators of color.	10/17/2022 10:37 AM
61	These events tend to be attended by the wealthy (mostly white) people who can now afford to live in Central Austin. Even in your example photo, I don't see a single person of color. Focus more on art installations that can be enjoyed at any time by the public, and not special events that cater to rich people who are exacerbating equity problems here.	10/17/2022 10:07 AM
62	I love it when a guerilla performance happens	10/17/2022 8:45 AM
63	I think that the part about minimal equipment means things like not having a permanent stage with sound/lighting but I'm not sure. It's confusing because the picture that you have to illustrate the question is very lighting focused and something that I would support but I don't want big spotlights and another performance venue. I'm not sure how to respond to the ratings. What kinds of artistic performances would I like to see - More performances from schools that are near the trail like choirs and theater groups. More dance.	10/17/2022 6:23 AM

6	Ok. I thing The Trail has lost its mission.	11/7/2022 7:48 PM
7	Disagree Strongly, the Trail is a non-political space and must remain that way. It is reprehensible that Trail Users disagreed with such artwork are forced to confront it while enjoying the Trail.	11/7/2022 7:19 PM
8	Fulfill the vision of being the best health and wellness place for everyone in the community. ATX is not going to stop growing. It's important the Trail is keeping up the nature and vegetation health of itself.	11/7/2022 7:16 PM

#	RESPONSES	DATE
1	Sustainability	11/14/2022 9:15 AM
2	Why the trail is so important to other green spaces in Austin. What racial and socioeconomic barriers The Trail keeps us, and also what barriers they break down. How does caring for our Trail lead to us becoming better stewards of our environment in general	11/14/2022 6:57 AM
3	Times and opinions change.	11/11/2022 6:16 PM
4	Slippery slope on critical public issues. Polarizing people due to one sided opinions is not progress. Caution is warranted and at minimum equal representation. E.G. Not all environmentalist subscribe to the same solutions nor causes, but all want a similar outcome.	11/9/2022 4:47 PM
5	Many statement pieces are only loosely connected or have fuzzy message conveyance. If the project's message or the activation intent isn't evident or evocative to a general audience (see photo associated with this question as an example of questionable art), it shouldn't proceed.	11/9/2022 9:17 AM

12	All of the above and equity topics	11/8/2022 10:12 AM
13	I am for the topics mentioned above. Again, want to keep the trail quiet and subdued but continue to have limited art and programming at spread at spaces and times.	11/8/2022 9:32 AM

15	None, if they are in the categories described above.	11/8/2022 9:11 AM
16	Seems like a great idea, but if there is no lasting policy change, these types of things can feel somewhat superficial. I think exploring the history of Austin's relationship to its waterways and other things that tie humans to ecology are better for this type of programming than attempting to "rebuild frayed relationships."	11/8/2022 9:02 AM
17	Engagement with middle and high school students could be a very meaningful developmental experience for them and build deeper bonds with the community over time. Would love you to consider strategies here.	11/8/2022 8:27 AM
18	Boating on the lake. Algae removal. Swimming, running, hiking, biking, walking, bat protection.	11/8/2022 8:21 AM
19	None... just let the trail be the trail where people can enjoy exercise in nature. The more pyre nature (well maintained), the better.	11/8/2022 7:24 AM

1	I just love what yall are doing	11/14/2022 6:57 AM
2	Try and make things timeless. And enjoyable. The trail is wonderful, and priceless to Austin's culture.	11/11/2022 6:16 PM
3	Please, no more concrete or paved trails! Gravel, crushed granite, etc. only. Also, keep up the good work!!	11/9/2022 5:21 PM
4	Resources matter. This opportunity - if pursued - should be leveraged to increase public CONTRIBUTION to shared spaces through a combination of education and action to maintain, enhance, and preserve these spaces. Passive or unengaging 'programming' has the risk of being expensive while producing minimal return. For example: rather than paying an artist to build a single floating island habitat, recruit an artist to facilitate public involvement in building many floating island habitats.	11/9/2022 9:17 AM
5	the pedestrian bridge downtown (pluger) needs lighting and safety	11/8/2022 4:12 PM
6	There are too many commemorative markings along the Trail, some ugly, random or dated that turns Lady Bird Lake into a makeshift cemetery. I think it's time to dedicate one area of Lady Bird Lake to this sort of markings (e.g. "Memory Grove") and move everything in that single area.	11/8/2022 3:56 PM
7	Money should be spent to keep the trail and the lake in pristine shape. It is the gem of Austin. We don't need art projects on it... keep it natural.	11/8/2022 3:15 PM
8	Definitely would be great to jazz the trail up a bit. Love that it is super natural but I'm sure there is a place for all of these ideas!	11/8/2022 2:40 PM
9	Police the trails if possible, some cyclists are riding dangerously fast, I ride a lot around the lake and man, these guys are aggressive and dangerous. All, some kind of non-invasive lighting system would be cool. I know it's better to kept natural, etc. but it can be sketchy in some parts after 7:00pm.	11/8/2022 1:01 PM
10	The ideas of simplicity, access, representation of community and free to public are very important.	11/8/2022 12:36 PM
11	Any events and artworks that can be accessed by foot or bike are always a win. Things like Creek Show that encourage driving and parking to the event.. not so much.	11/8/2022 11:53 AM
12	While i like the ideas presented above, I believe it is most important to ensure new programming keeps/promotes the trail as an escape to nature in an urban environment.	11/8/2022 11:08 AM
13	I would love to help organize and participate in trail photography workshops	11/8/2022 10:12 AM
14	Thank you for all the work The Trail Conservancy is doing!	11/8/2022 9:32 AM
15	Thank you for the great work you're doing.	11/8/2022 9:14 AM
16	Appreciate TTC's commitment to the arts. You all are doing wonderful work. Would love to understand how/if TTC is working with Blanton, Contemporary, et. al. Would be ideal to create a real community around public art.	11/8/2022 8:27 AM
17	You HAVE to pressure the city to address the ongoing public camping that is going on in our parks and along our trails. It is not safe for anyone involved.	11/8/2022 7:24 AM
18	Stick to the basics of taking care of the trail	11/8/2022 5:47 AM
19	As mentioned above, I often go to the trail to enjoy its natural elements and to get away what I feel is a homogenized world of constituencies of all types and political persuasions pushing their messaging. It would be a shame if the trail devolved into everywhere else.	11/8/2022 4:43 AM

**BUTLER TRAIL ARTS & CULTURE PLAN ENGAGEMENT #4 SURVEY**

20	Along with art; which I think would be great around the trail. Definitely need a lot more lighting for safety along all trails.	11/8/2022 1:43 AM
21	Don't waste too much money on temporary art displays	11/8/2022 12:28 AM
22	Great ideas, and I like the survey with proposed ideas to seed answers. As you (we?) fold new ideas and experiences into our Trail, remember to keep the Trail clear for walkers, runners, cyclists, and kids without too much or too frequent disruption or distraction.	11/8/2022 12:09 AM
23	The trail conservancy is doing great just by asking these questions. Community programming works best when its community created!	11/7/2022 10:01 PM
24	This survey suggests you don't value the cultural heritage of the trail and trail users. Most people go here to appreciate nature and to exercise. Please remain focused on the natural environment.	11/7/2022 9:13 PM
25	Keep up the great work you do for the community. Thank you for your time and efforts!	11/7/2022 9:06 PM
26	Thanks	11/7/2022 8:38 PM
27	Some of this seems like overkill. The main purpose of the trails is for people to walk or run. Bikes need to either go or be very limited. It's a tragedy in the making with fast bikes sharing space w walkers. The parks can have activities. The trails don't need much of this, except community walks seems like a good idea. Art is fine, but can be expensive. I'd rather see native plants / landscape over art. It's not necessary to have outdoor art and I'm an art lover. It seems the parks have a limited budget, so I don't think art is a necessary expenditure.	11/7/2022 8:28 PM
28	Please don't add more concrete to the trail -- it's very hard on the feet.	11/7/2022 8:06 PM
29	The trail is unique and such an amazing breath of freshness and nature. Please protect this oasis	11/7/2022 8:03 PM
30	Love to see recaps of the things you did after they are concluded too, not just promotion of them beforehand. It reminds ppl to get out and visit next time around when the opportunity comes back up.	11/7/2022 7:59 PM
31	Please stop pouring concrete. Every time you think you're improving the trail, you're simply pouring concrete. The best parts of the trail are the crushed limestone parts of it. Much easier on the legs of walkers and runners. Furthermore, the concrete only encourages bikers to ride faster creating dangerous situations.	11/7/2022 7:55 PM
32	Would love to see the expansion of art on the trail, but until the camping and drug use on the trail is dealt with, it seems like the wrong place to focus. Some parts of the trail by me are rampant with drug use, and sadly just aren't that safe. Hard to take my family out to experience art/culture on the trail when you're being harassed by someone high as a kite.	11/7/2022 7:53 PM
33	Please do not forget that roughly 50 % of the Users of the Trail are NOT WOKE.	11/7/2022 7:19 PM
34	Keep the trail clean and safe. Keep electric scooters and other motorized vehicles off the trail.	11/7/2022 7:16 PM
35	Please invest in functioning bathrooms along the trail.	11/3/2022 12:12 PM
36	The trail(s) Butler and Lady Bird Lake are missing important Texas native plant communities. The trails are over-used and mowed relentlessly and there is not much to engage in. Where are the pollinator plants, flowers and other important diverse natives? As well when are the restrooms going to be added and improved? The South entrance of Barton Springs Pool is desperately in need of a restroom. And finally the homeless situation around lake and greenbelts is a disgrace and should not be allowed!!! These transients are dangerous, carry weapons and make our green spaces unsafe. I do not feel safe around lake any longer in some areas.	10/19/2022 7:49 AM
37	Discussions and/or exhibits to the engineering of the highland lakes chain might also be interesting. For example, Lady Bird Lake is only there because of Longhorn Dam.	10/17/2022 5:05 PM
38	Would love to see the history of natural springs in East Austin	10/17/2022 1:42 PM
39	I support all this programming, but I do hope that most of the dollars devoted to Butler Trail will go towards ongoing maintenance and future improvements to the trail and surrounding land itself (tree planting, erosion mitigation, more trash cans, etc.). The trail itself and its natural setting is the primary reason I visit. Programming and art is nice icing on the cake and	10/17/2022 10:53 AM

## BUTLER TRAIL ARTS & CULTURE PLAN ENGAGEMENT #4 SURVEY

definitely worth including in a future vision, but the primary focus should be on making sure the trail can handle all the foot traffic it gets while maintaining its natural beauty and function.

40	Make art installations that are up for a long enough period of time to be experienced and enjoyed by everyone.	10/17/2022 10:07 AM
41	I deeply feel that whereas the majority of the trail should be for local artists, there should definitely be space for artists outside of Austin, Texas, and the United States.	10/14/2022 1:33 PM
42	Good work!	10/14/2022 6:04 AM
