Twilight on the Trail - An Evening to Celebrate and Support the Butler Trail

Twilight on the Trail is The Trail Conservancy's largest fundraising event, bringing together philanthropic leaders, outdoor enthusiasts, and community supporters for an unforgettable evening under the stars. As the sun sets over Austin, painting the sky in shades of pink and blue, guests will be treated to live music, curated eats, and a breathtaking sight of bats taking flight over Lady Bird Lake.

More than just a gala, this event blends elegance with Austin's laid-back spirit - with an attire theme of "cocktail on top, Trail on bottom." Guests gather for delicious food, refreshing drinks and an exciting live auction, all in support of preserving and enhancing the Butler Hike-and-Bike Trail for generations to come.
